Positivity, hope and commitment have always been Carlotta's beliefs. She incorporates her beliefs into the production line and promises her clients the best designs and materials of the highest quality. As an acknowledgement to Carlotta's commitment, she received the First Silk Road Women's Innovation Design Award in 2017, followed by the Greater Bay Area Outstanding Young Women Entrepreneur Award in 2018. As a female entrepreneur, she is particularly concerned about the status of women in business. Hence, she uses her experience and knowledge to regularly give talks at various organizations to spread positive energy to women, striving to improve women's status in business.

Carlotta Wong
Co-founder &
Chairlady

Ronald specializes in manufacturing Silicone products, with extensive expertise of over 15 years. Prior to joining Lexngo, he engaged in OEM/ODM businesses of ECO products and dedicated to developing R&D technology for upgrading the products' standards and specifications. Having accumulated comprehensive experience in management and expertise in the industry, Ronald aims to provide the most cost-effective products of premium quality to customers.
